

# *Camping Bella Torino*

## **Live the campsite, safely**

**Find out what we have done for your safety on  
vacation**

# *Camping Bella Torino*

- Our pitches are delimited by thick hedges, up to 2 meters high
- The sinks in our services close automatically, so you can always go out with clean hands
- Our shuttles are sanitized after each trip and the use of a mask is mandatory on board
- There is the possibility of online check-in and the reception is outside with the use of safety plexiglass
- Increased cleaning and sanitization cycles inside the toilets
- There is the possibility to have a private bathroom complete with sink, shower and toilet for the duration of the stay
- We carefully follow the protocol developed by the F.A.I.T.A for a correct prevention, contrast, control and management of health emergencies approved by the Ministry of Health
- We have posted useful information on the rules to be respected as our guests are not at risk
